Alexandria, VA 22313-1450
## RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Restriction Requirement dated
August 7, 2007, Applicants elect Group II, Claims 10-40, drawn
to a subject identification system using personal biometric
data, with traverse. Additionally, Applicant elect Specie A,
drawn to biometric image data for subject identification
purposes, also with traverse. The Examiner is respectfully
requested to reconsider the restriction requirement as a
search for the elected invention would necessarily entail a
search for the non-elected invention. Favorable consideration
is respectfully solicited.

Respectfully submitted,

Terryente F. Chapman
